It's time for career-minded individuals to get beyond whatever imaginary line they're standing behind and live out their own success stories.

Christopher Franklin is the founder and CEO of Titan Financial Services, Inc., one of the leading African American-owned financial management firms in the sports industry. Today, he's at the top, managing the financial assets of the rich and famous, and lecturing on wealth management all around the country. But, his road to success was not easy. Coming from a modest upbringing in a small West Virginia town, Franklin encountered plenty of roadblocks along the way. He has managed to change roadblocks to opportunities that have made him a star in his field. In Access Now, Behind the Line, Franklin shares the keys to unlimited possibilities and opportunities—all those things he wishes someone would have told him "way back when."
