Introducing Donald Tremaine, P.I.

Once the world's number one surfer, Donald Tremaine quit at the top of his game, moved into a trailer in Malibu, and became a detective. Beautiful women don't ask for his autograph anymore. Now they ask for his help—like the stunning Nina Aldeen, who wants Tremaine to solve the murder of her uncle, advertising mogul Roger Gale, brutally slayed in his L.A. office a year earlier. The police investigation went nowhere. The suspects are many, and the victim had more secrets than anyone ever knew. But the closer Tremaine gets to the truth, the closer he comes to a killer who just might make his most complicated case his last.

A novel that both honors and invigorates the classic private eye novel, *Body Copy* loudly heralds the arrival—with a bullet—of a major contender on the noir scene.

Helen Noyola:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Body Copy can make you really feel more interested to read.
