Carla Rising Topper Sherwood

Based on a true story

The story of Carla Rising follows the injustice and violence endured by a real community of coal miners in the 1920s. This rugged band stands up to callous industrialists and corrupt law enforcement officials to win decent working conditions, fair pay and greater regard for human life.

The conflict ultimately draws the involvement of the US Army, whose leaders threaten to use their newest bombing planes to put a quick end to the energy war if Carla and the miners don't back down....
