**Kennedy: The King of Camelot | The Life and Legacy of John F. Kennedy** Jack Williams

**Kennedy: The King of Camelot (The True JFK Story)**

Few presidents in American history have served a shorter term in office than John Fitzgerald Kennedy, and yet he is one of the most iconic of all the men who have held that position. Even today, more than fifty years after his assassination on a sunny day in Dallas, he has a unique place in the history of the United States.

Exuding an aura of youth and vigor, he caught the imagination of his country, and held it throughout. Overcoming crippling illness and disability, he swept his country forward on a variety of fronts: civil rights, space travel, and defense, among others. His assassination was a blow not just to his family, not just to his party, but to the nation and the world.
