Temporary Stages II: Critically Oriented Drama Education (Intellect Books - Theatre in Education)

Jo Beth Gonzalez

Theatre teachers are forced to adapt constantly. Whether responding to advancing technologies, cuts to (or the growth of) their programme or ever-changing governmental mandates, they struggle to serve both their students and their craft. Using a theatre arts programme at one Midwestern high school, this book explores how change, good or ill, directly impacts students as well as teachers. Building on the work of the previous edition of Temporary Stages, Jo Beth Gonzalez shows teachers how to sustain confidence and outlines 'critically conscious' teaching, a technique that encourages students to practise self-agency and critical awareness. Essential reading for all theatre teachers, this indispensable resource is a font of innovative classroom and production practices.
