**“Full of big themes such as courage, greed, loyalty and obsession, *The New World* is still an adventure story first and foremost. . . . An entertaining homage that is deeply felt and sincere.” —*The Guardian* (UK)**

Washed ashore after escaping Treasure Island, young Jim Hawkins and his companion Natty find themselves stranded on the Gulf Coast of Texas. Their ship, the *Nightingale*, has been destroyed, and besides one other crew member, they are the only survivors. Before they can even grasp the full scope of their predicament, they realize they are not alone on the beach. When a band of Native Americans approaches the shore in a threatening fury, they brutally kill Jim and Natty’s last shipmate, rob their dead crew, and take the two desperate survivors hostage.

Suddenly, Jim and Natty are thrust into an adventure that takes them all across the unruly American South. Starting with a desperate escape from a violent chief who obsessively keeps close on their trail, they join up with a troupe of entertainers who take them to a thriving and dangerous New Orleans, and seek the closest port so they can set sail for home once again.

In magnificent, free-wheeling prose and in a high-flying style, Andrew Motion has spun a fantastic yarn that will win the hearts of adventure lovers everywhere.
