**Valhalla: The Valkyrie, Book 2** Mandy M. Roth

It's hard to be good when the other side is oh, so bad.

*The Valkyrie, Book 2*

Linnea isn't exactly happy with her life as one of Odin's handmaidens, but she has always done what is expected of her. Yet all the while she knows the truth--the Valkyries are stretched thinner every day. And now Evil has stopped playing by the rules and started recruiting minions from the supernatural gene pool. Her newest assignment: counter the vampires' plan by seeking out brave male souls with supernatural powers to join Valhalla's cause. Leaping through waterfalls of time and into legendary battles has never bothered her before, but even with her magic, it's tough to beat the bloodsuckers to the best warriors before they can be turned.

She never expected her quest to bring her face to face with love, in the form of Kerr Laochailan. Their innocent temptation flares into desire, so hot and fast it attracts the wrong kind of attention. In a cruel joke of fate, Kerr is torn from her. Yet her mission goes on. And Fate isn't through playing tricks on the lovers yet, nor is it done introducing lovers to her bed...

Warning: This book contains a butt-kicking female, torn between her love of a stubborn Scottish vampire and a super-sexy Italian blood sucker. Oh, and a lot of fight scenes.

**This novel contains adult content and is intended for mature audiences only. Must be 18 years or older to read.**
