Virtual Virgin: Delilah Street: Paranormal Investigator (Delilah Street; Paranormal Investigator)

Carole Nelson Douglas

She's Like a Virgin . . . Simulated for the Very First Time

For a red-blooded male, Las Vegas offers a virtual smorgasbord of temptation: sexy showgirls, vampy vampires, zombie starlets, you name it. But paranormal investigator Delilah Street isn't worried about losing her man to these vixens. Especially when the one woman with a soft spot for the guy also has a hard-shelled exterior. . . .

She's a robot—or a CinSim, to be exact—a near-perfect simulation of the silver-metal robot Maria from the classic science fiction movie *Metropolis*. Part innocent teenage actress, part depraved sex goddess, the new Maria is hooked on Delilah's partner, Ric, who raised her from the dead. She also happens to be the perfect secret weapon for a demonic drug lord. Which could be one hell of a problem. Delilah's not the jealous type, but this tin-can temptress must be stopped—even if it forces Delilah to forge a dangerous alliance with her wicked mirror-twin, Lilith. If robo-girl goes ballistic, every player in Vegas loses. . . .
