*The energy might bind them, but their love could save us all...*

When Shifter Airiana Draco volunteers to scout the enemy's compound, her family thinks it's to prove herself. In truth, she wants answers. Plagued with doubt and a secret shame, she hungers to learn more about the Energens, the people who have opposed the Shifters since the beginning of time. But getting captured wasn't in her plans.

Energen Loukianos Aeros has always wondered about his exiled older brother who was accused of aiding their mortal enemy, the Shifters, long before Louk was born. Now, the answers Louk seeks are within his grasp when he stumbles upon a beautiful enemy spy right outside his door.

Forced together by the energy, Airiana and Louk are unprepared for the sudden attraction as they struggle to gain the answers they seek. As the danger builds and their lives are threatened, they must learn to trust the energy and each other. But are they strong enough to challenge all they were raised to believe or will the pressure cause them to turn on the one truth they can't deny?

The time is coming when earth will be changed forever. The dragon is rising and with the joining of The Two, he stirs.

Warning: Mix two opposing forces with some elemental powers, add in a little shove from the energy and you get earth-shattering sex, one angry dragon, and a world that is altered forever.
