Dylan Royce, Willow Bend Hunter, is a natural flirt and courted his fair share of she-wolves, but he's never found the woman who makes his pulse race. With the new pack's borders verging on Willow Bend territory, he's tasked with keeping an eye on them. His job grows more challenging daily, especially since one seductive female keeps crossing the line.

Chrystal Landros knows she's supposed to keep to her side of the Three Rivers-Willow Bend line. But she loves to explore, and Willow Bend is home to some spectacular sites. As a former Lone Wolf, she hasn't always been certain of her welcome, but her new home in Three Rivers opens a wonderful world of unfamiliar opportunities. Too bad the wolf who makes her blood heat is tasked with keeping her away from the places she wants to visit.

While Dylan and Chrystal clash repeatedly over her border incursions, the game between them threatens to turn deadly. Tensions between Willow Bend and Three Rivers continue to rise. Could their forbidden dalliance be the spark to ignite a war?
