Authority to Heal: Restoring the Lost Inheritance of God's Healing Power Randy Clark

The Supernatural Quest to Restore Your Lost Birthright!

The Bible is filled with divine healing! From cover to cover, Scripture reveals many miraculous healings where the sick, terminally ill, and even the dead are restored to wholeness.

So how did healing—something natural for Jesus and the early church—become unfamiliar and controversial?

In the *Authority to Heal* DVD study, Randy Clark takes you on an interactive journey where he reveals the historical facts behind what happened to the practice of divine healing and shares Biblical truths and surprising testimonies from church history.

Through these eight sessions, Randy will teach you how to:

- Recognize and overcome deceptions that block the flow of God's power
- Unlock your inheritance of healing authority
- Deepen your understanding of God's goodness through His signs and wonders
- Access the same power in which Jesus, the early church and Spirit-empowered miracle-workers throughout history walked

Through this revelatory Bible study, you will discover how God's healing river never stopped flowing... and unleash its power in your life today!

*DVDs are designed to be used with the *Authority to Heal* study guide/curriculum.
