Cultural Capitals: Revaluing The Arts, Remaking Urban Spaces (Re-materialising Cultural Geography) Louise C, Dr Johnson

This is a book about the power of the arts to enhance city images, urban economies and communities. Anchored in academic discussion of the Cultural Industries – what they are, how they have emerged, why they matter and how they should be theorized – the book offers a series of case studies drawn from five countries: Australia, Singapore, Spain, the UK and the US to examine how the arts contribute to sustainable urban regeneration.
