The Gospel is not good news to people who do not hear it

...and an unpreached gospel is no Gospel at all.

In the New Testament we never read about God going forth on His own, but that His followers “went out and preached everywhere, the Lord working with them.” In short, God acted when they acted.

Evangelist Reinhard Bonnke has led millions of people into a life-transforming encounter with God. In *Evangelism by Fire* he lays out the principles necessary for effective evangelism, showing how God operates through anyone who is willing to follow His plan.

The Gospel is as vital today as it was when Jesus walked the shores of the Sea of *Galilee*, and nations urgently need the life-giving message of the cross right now. Filled with biblical principles, prophetic messages, and personal examples, *Evangelism by Fire* will inspire you to bring the focus of your life and ministry back to the Great Commission.
