Hybrid Drawing Techniques: Design Process and Presentation Gilbert Gorski

Hybrid Drawing Techniques: Design Process and Presentation reaffirms the value of traditional hand drawing in the design process by demonstrating how to integrate it with digital techniques; enhancing and streamlining the investigative process while at the same time yielding superior presentation images. This book is a foundations guide to both approaches: sketching, hardline drawing, perspective drawing, digital applications, and Adobe Photoshop; providing step-by-step demonstrations and examples from a variety of professional and student work for using and combining traditional and digital tools. Also included are sections addressing strategies for using color, composition and light to further enhance one's drawings. An eResource offers copyright free images for download that includes: tonal patterns, watercolor fields, people, trees, and skies.
