Libros en llamas. Historia de la interminable destrucción de bibliotecas (Libros Sobre Libros) (Spanish Edition) Lucien X. Polastron

Dejando de lado la indignación que el tema provoca, el autor recorre diversas geografías y épocas --desde los depósitos de arcilla con escritura cuneiforme hasta el saqueo en la Bagdad ocupada por el ejército de Estados Unidos. Este libro es un modesto homenaje a los millones de obras desaparecidas y una advertencia para que se haga de la preservación bibliográfica un compromiso impostergable.
