**Much more than a Japanese phrasebook, this entertaining guide to Japanese slang is full of interesting and hilarious anecdotes and advice.**

*Japanese Slang Uncensored* reveals in vivid detail the richness of Japanese slang in all its amusing, bizarre, and shocking forms. The book dives unblushingly into Japan's fascinating secret languages, the *ingo* (hidden words) used by thieves, prostitutes, sushi chefs, pickpockets, Buddhist monks, and other colorful characters. Author Peter Constantine skillfully traces the origins of these expressions, in the process painting a revealing picture of Japan's subcultures and the people who move in their shadows.
