Small Grain of Sand

Pamela Reid

Small Grain of Sand Pamela Reid

In her line of business, she really shouldn't have favorites—but as a supervisor at a New Zealand early childhood center, Jennifer Mason finds it impossible to resist the charms of the Durand twins. Her female coworkers, however, are more focused on the allure of the children's enigmatic single father, Phillippe Durand. When the handsome Frenchman is faced with a trip abroad with his children, he approaches Jennifer with an offer: a summer job as the twins' nanny—on the idyllic island of Tahiti. Amid swaying palm trees and blazing sunsets, Jennifer forges a tentative friendship with her employer and begins to put together the pieces of this mysterious man. Phillippe, a former member of the Church, is haunted by a past fraught with death and heartbreak. Determined to help him rekindle the flame of his faith, Jennifer is caught off guard by the spark of romance that grows more undeniable by the day. But when Phillippe's painful past threatens their blossoming relationship, will true love really have the power to conquer all?
