## **Judy: A Legendary Film Career** John Fricke

Through her incomparable work on screen, stage, record, radio, and television, Judy Garland earned renown as “The World’s Greatest Entertainer.” It was as a motion picture star though, that she first rose to international fame. From her feature film debut in 1936 through the aptly titled *I Could Go on Singing* in 1963, she lit up the screen with a magic uniquely hers—and dazzled world-wide audiences of all ages.

Judy Garland starred in two dozen of the all-time classic movie musicals, among them *A Star is Born*, *Meet Me in St. Louis*, *Babes in Arms*, *Easter Parade*, *For Me and My Gal*, and *The Harvey Girls*. Her dramatic turns in *Judgment at Nuremberg*, *The Clock*, and *A Child is Waiting* won added acclaim. And perhaps most unforgettably, she starred as Dorothy Gale in the best-loved motion picture of all time: *The Wizard of Oz*.

*Judy: A Legendary Film Career* tells the story of Garland’s movie work in unprecedented detail. Hundreds of never-before-published photos, newly-assembled contemporary reviews, insight from her costars and coworkers, and production histories are provided for each film in which she appeared. Highlighting and complimenting the feature films is a definitive biography; an examination of Judy’s short subjects; details of the movies she did not complete; and an enthralling compendium of film projects for which she was considered or rumored. The text is illustrated by more than five hundred photos, encompassing poster art; costume tests; behind-the-scenes candids; onstage and backstage glimpses of her theatrical successes; and personal snapshots.

*Judy* is the exhaustively researched work of historian John Fricke. He celebrates as never before the heart, humor, and incandescent motion picture achievement of the one-and-only Judy Garland.
