## **L'Anticonformista (Italian Edition)** Marco Ricchioni

"L'Anticonformista" può essere considerato una miniera le cui gallerie sono ubicate a profondità diverse tra loro. Attraverso dodici dialoghi tra un professore di filosofia, uno scrittore-astrologo e un poeta, vengono affrontate le grandi questioni esistenziali dell'uomo mediante la contrapposizione tra colui che si affida ciecamente alla scienza e chi si affida a Dio e alla legge naturale. Il libro, analizzando anche l'attuale società industriale e le sue problematiche, mette in rilievo i falsi valori imposti dal potere consumistico e si conclude, proiettandosi decisamente in avanti alla stregua di un romanzo distopico, delineando il profilo di un nuovo potere totalitario ancora in fasce e dell'antidoto necessario a contrastarlo: una vera e compiuta democrazia.
