Megrahi: You Are My Jury: The Lockerbie Evidence John Ashton

Megrahi himself speaks for the first time in a powerful defence of his innocence • New evidence, never before published, destroys the prosecution case • Huge public interest in this case which has had a dramatic impact on international relations • The release of Megrahi on compassionate grounds sparked controversy and headlines worldwide Abdelbaset al-Megrahi does not receive any financial profit from the publication of this book 'You know me as the Lockerbie bomber. I know that I'm innocent. Here, for the first time, is my true story: how I came to be blamed for Britain's worst mass murder, my nightmare decade in prison and the truth about my controversial release. Please read it and decide for yourself. You are now my jury.' - Abdelbaset al-Megrahi For the first time the man known as 'the Lockerbie bomber' tells his story. This long-awaited book argues that, far from being an unrepentant terrorist, Abdelbaset al-Megrahi was the innocent victim of dirty politics, a flawed investigation and judicial folly. Based on exclusive interviews with Megrahi himself, and conclusive new evidence, it destroys the prosecution case and puts the Scottish criminal justice system in the dock. Megrahi: You Are My Jury makes a compelling argument that the murderers of the 270 Lockerbie victims were acting on behalf of an entirely different government, rather than Colonel Gadafy and Libya.
