Mr. Monk Is Open For Business Hy Conrad

Welcome to the series of original mysteries starring Adrian Monk--based on the hit USA Network series *Monk*, starring Tony Shaloub--the brilliant investigator who always knows when something's out of place....

Failing to win back his girlfriend in New Jersey, Monk returns to San Francisco where Natalie has set up an office for Monk and Teeger, Consulting Detectives. It's time to stop bickering and get to work when Lieutenant Amy Devlin comes to them for help.

A disgruntled employee came into work and started shooting, killing three coworkers and leaving a female hostage severely wounded. After spotting the shooter through office windows, the police lost him—leaving Lieutenant Devlin with a real mess on her hands.

Visiting the bedridden survivor, Monk finds her to be helpful, cooperative...and quite charming as well. But the more he and Natalie try to track down the assailant, the more he seems to have disappeared from existence altogether....

Bethany Zuniga:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Mr. Monk Is Open For Business can make you sense more interested to read.
