## **Seditious Theology: Punk and the Ministry of Jesus** Mark Johnson

Seditious Theology explores the much analysed British punk movement of the 1970s from a theological perspective. Imaginatively engaging with subjects such as subversion, deconstruction, confrontation and sedition, this book highlights the stark contrasts between the punk genre and the ministry of Jesus while revealing surprising similarities and, in so doing, demonstrates how we may look at both subjects in fresh and unusual ways. Johnson looks at both punk and Jesus and their challenges to symbols, gestures of revolt, constructive use of conflict and the shattering of relational norms. He then points to the seditious pattern in Jesus' life and the way it can be discerned in some recent trends in theology. The imaginative images that he creates provide a challenging image of Jesus and of those who have relooked radically in recent years at what being a 'seditious' follower of Christ means for the church. Introducing both a new partner for theological conversation and a fresh way of how to go about the task, this book presents a powerful approach to exploring the life of Christ and a new way of engaging with both recent theological trends and the more challenging expressions of popular culture.
