Think Like Jesus: Identifying with Christ FRED ADOMAKO

While God has already blessed believers with everything they need to rule and reign in life, those blessings are not automatically manifested in the physical realm unless believers receive them not only in their hearts but also in their minds. Often, believers think thoughts that oppose what they truly believe in their hearts and allow those thoughts to influence their actions.

Think Like Jesus will help born-again Christians unify what they believe in their hearts with what they constantly think in their minds in ways that align with the thoughts of Jesus Christ on issues such as oneness with God, health, wealth, and soul winning. This book will help them discover their new identity in Jesus Christ and introduce them to a world of endless and amazing possibilities empowered by the Spirit of God.
