Ed Stetzer and David Putman's popular church leadership book *Breaking the Missional Code* is helping pastors and ministry staff to guide their collective congregations toward becoming missionaries in their communities. But the need remains for this concept to be further defined at an individual level.

Breaking the Discipleship Code, written this time by Putman with a foreword from Stetzer, opens the door to a greater understanding of what it means to personally be a missional follower of Jesus in relation to every aspect of our changing world. Balancing cultural relevance with biblical faithfulness, the book invites ordinary believers, whether on Wall Street or in a Waffle House, next door or across the ocean, to begin having an extraordinary spiritual impact in their unique context.
