## **Esther** John Piper

Having proven himself as a poet, John Piper has written another masterpiece, retelling the story of Esther. This two-part poem begins with Mordecai talking with his teenage cousin Hadassah (Esther), whom he is raising. He explains how her grandfather had a prophetic dream about freedom in the land of Susa, and how his aunt and uncle (Esther's parents) began the journey. Esther's mother, he explains, died in childbirth, and her father died only two years later. Part two fast-forwards to Esther looking back and explaining how she became queen to her son, and what God's providential purposes were in saving the Jews. This moving story is complete with illustrations by artist Glenn Harrington, and will inspire faith in God through fictional poetry about the nonfictional story of Esther.
