**Norman Street: Poverty and Politics in an Urban Neighborhood, Updated Edition** Ida Susser

Based on a three-year study conducted in Brooklyn's Greenpoint/Williamsburg section, *Norman Street* is an in-depth, detailed description of life in a multi-ethnic working class neighborhood during New York City's fiscal crisis of 1975-1978. Now updated with a new introduction to address the changes and events of the thirty years since the book's original publication, its lessons still resonate in the impact of political and economic changes on everyday lives.
