**Permission Granted: And Other Thoughts on Living Graciously Among Sinners and Saints** Margot Starbuck

**Would Jesus stand on a street corner waving a sign that condemned a particular kind of sinner?**

**Would he deliver diatribes on TV news shows against them?**

**Would he support religious leaders who use their positions to marginalize the less-than-holy?**

When she got the feeling that authentic love for those identified by the church as "Special Sinners" looked diametrically different than Christians in the media spotlight made it appear, Margot Starbuck went looking for the truth. Scouring the Gospels for the Jesus who felt as uncomfortable as she did around disreputable sinners, Margot was surprised to find no record of him there. Instead, she found the kind of grace that would actually be received by those in bars, in strip clubs, and at drag queen bingo.

*Permission Granted* is her passionate and liberating call to all of us to truly love others as Jesus does. With wit and clarity of insight, Starbuck shows that there are no "Special Sinners" who are worse or more deserving of contempt and judgment than others, and challenges us to a radical acceptance of the ones God loves and receives.

Study guide available at [MargotStarbuck.com](http://MargotStarbuck.com).

"This is a love story. Margot dares you, provokes you, woos you to imagine the limitless power of grace. On every page you hear the whisper of God's love, and you are invited to become that whisper to the world."--Shane Claiborne, activist, author, [www.thesimpleway.org](http://www.thesimpleway.org)

"With humor, honesty, and grace, Margot identifies a central problem within evangelical Christianity and offers an invitation to the way of Jesus, the way of truth and grace."--Amy Julia Becker, author of *A Good and Perfect Gift*

"I genuinely love *Permission Granted*. I love it not just for its message of authentically reclaiming how Jesus would love and engage today's world, but more so because I know Margot lives out exactly what she writes. Let it compel you, as it did me, to love in the tension that exists all around us."--Andrew Marin, award-winning author of *Love Is an Orientation*

"In her book *Permission Granted* Margot Starbuck writes about the 'Rare Religious'--Christians who love sinners well. Since Jesus was called a 'friend of sinners' and we claim to follow him, loving sinners shouldn't be rare. Unfortunately, it is. And that's why this book is a necessary challenge that we Christ-followers need."--**Vince Antonucci**, pastor of Verve Church, Las Vegas; author of *Renegade*

"Living out the Great Commandment requires embracing a counter-cultural lifestyle. With this book, Margot Starbuck offers specific directives and a host of wonderful stories to back up her message that Christlike loving is not only at the heart of this lifestyle but is the basis of meaningful living."--**Tony Campolo, PhD**,

Professor Emeritus, Eastern University

**Margot Starbuck** is the confessions editor for *Geez Magazine's* Sinner's Corner and blogs at *Red Letter Christians*, *Her.meneutics*, *Gifted for Leadership*, and *FullFill*. She also writes for *Relevant*, *Neue*, *MomSense*, *Mutuality*, and *Prism*, as well as other print and online publications. She lives in North Carolina.

We can say that no e-book that offer you world within ten or fifteen moment right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt in which?

#### **Ruth Westlund:**

Many people spending their time by playing outside along with friends, fun activity along with family or just watching TV the whole day. You can have new activity to pay your whole day by reading through a book. Ugh, you think reading a book can actually hard because you have to accept the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smart phone. Like Permission Granted: And Other Thoughts on Living Graciously Among Sinners and Saints which is having the e-book version. So , try out this book? Let's notice.

#### **Christine Emmons:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Permission Granted: And Other Thoughts on Living Graciously Among Sinners and

Saints can make you experience more interested to read.
