In the fourth volume of Flowers of Evil, Takao makes his decision... He will try to win the affection of one of his muses. This will be no simple task, as the teens in this manga drama are all now damaged and warped. Growing up without a mother has twisted their hearts. Helping people like that open up may be impossible, but Takao has thrown away his own humanity as well. Furthermore, Takao is now in search of a utopia. One that can only be shared with his best and only friend, that will sit, even if briefly, among the rice paddies and in the mountains of his rural hometown. And most importantly, it will be a place that pokes fun and undermines every little thin ideal that holds this town together. There is no way this new society will be accepted, but that is exactly what these two wanted in the first place.
