What's Left of Us: A Memoir of Addiction

Richard Farrell

What's Left of Us: A Memoir of Addiction Richard Farrell

"Blunt and honest. . .A stunning piece of work." --T.J. English

"Deeply moving. . .*What's Left of Us* is a rush of blood to the head and heart, the kind only true art can deliver." --Andre Dubus

"An amazing story not just of survival, but redemption." --Mary McGarry Morris

Richie Farrell grew up in a working-class Irish neighborhood in Massachusetts. To overcome a birth defect, his father pushed him to become a star athlete, grooming him for Notre Dame. Sometimes, he would use a belt as a learning tool. Once, he used an electric carving knife. . .

The headline read *Crippled at Birth: Farrell Now Grid Star*. A month later, I tore up my knee and fell in love with pain medication.

By time he was thirty, Richie was a heroin addict, stealing from friends, shooting up during visits to his children, living in abandoned mill buildings, running from the shameful secrets of his family. Hopeless and in pain, he attempted suicide. When that failed, he was ordered to detox.

He looked at me. "Be honest," he said, "or you'll be on the street in 15 minutes. Jail, death, or honesty. You choose."

In this harrowing, astounding memoir, Richard Farrell chronicles a life of desperation, violence, lies--and the pure oblivion of heroin. A gritty, hauntingly written tale of a descent into hell and a slow, uncertain climb out of it, *What's Left Of Us* is a true story of redemption: of how low a man can get, and how hard he must fight to escape a shattered life. . .

"[Farrell] carries you on this rollercoaster ride of ugliness and beauty. Don't miss it." --Phyllis Karas

Richard Farrell is an author, filmmaker, teacher, journalist, and adjunct professor of English at the University of Massachusetts in Lowell. His documentary, *High on Crack Street*, was aired on HBO and received Columbia University's duPont Award. He is the co-author of *A Criminal and an Irishman: The Inside Story of the Mob-IRA Connection*. He is the screenwriter for the upcoming film *The Fighter*, and makes his home in Milford, New Hampshire.

From reader reviews:

Martin Elkins:

Book is to be different for every grade. Book for children until adult are different content. As it is known to us that book is very important normally. The book What's Left of Us: A Memoir of Addiction was making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The guide What's Left of Us: A Memoir of Addiction is not only giving you more new information but also for being your friend when you experience bored. You can spend your current spend time to read your reserve. Try to make relationship while using book What's Left of Us: A Memoir of Addiction. You never experience lose out for everything in case you read some books.

William Davis:

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this What's Left of Us: A Memoir of Addiction.

Eunice Randle:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy intended for reading. Some people likes reading through, not only science book and also novel and What's Left of Us: A Memoir of Addiction or even others sources were given understanding for you. After you know how the great a book, you feel desire to read more and more. Science e-book was created for teacher or students especially. Those textbooks are helping them to bring their knowledge. In some other case, beside science book, any other book likes What's Left of Us: A Memoir of Addiction to make your spare time more colorful. Many types of book like this.

Betty Bowers:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this What's Left of Us: A Memoir of

Addiction can make you truly feel more interested to read.
