**Welcome back to Whispering Wind, Wyoming, where *New York Times* bestselling author Sherryl Woods proves yet again that family comes first**

Heather Reed thought she was making the right choice when she decided to raise her daughter, Angel, on her own. But three years later, Heather realizes she needs help. Her career as an actress is faltering, and Angel's more than she can handle alone. It's time to track down Angel's father...only problem is, he doesn't know Angel exists.

Heather's search leads her to Whispering Wind, Wyoming. If Todd Winston is dismayed to see his old girlfriend show up in town, he's shocked when he looks into the angelic eyes of the little girl who is clearly his daughter. Todd flatly refuses to open his life to Angel. Heather flatly refuses to leave town until she finds out why. Amazingly, they discover that through compromise and understanding lies the road straight to family.
