Tristan Coleman has survived the change from Clann magic user to vampire, much to Savannah Colbert's joy—and despair. By changing the Clann's golden boy and newly elected leader, even to save him from death, she has unleashed a fury of hatred and fear that they cannot escape.

As the Clann and the vampire council go to war, Tristan and Sav face a new threat—a fracturing of the all-consuming bond they share. To fight for peace, they must forge a new trust and risk everything to take down their deadliest enemy, even as they must run for their lives. Soon they will learn that some bonds are stronger than love—and some battles cannot be won without sacrifice.
