Culture and Customs of Egypt (Cultures and Customs of the World)

Molefi K. Asante

Culture and Customs of Egypt (Cultures and Customs of the World) Molefi K. Asante

Modern Egypt blends African history and geography with Arab culture and religion. With its position at the crossroads of Africa, its status as a major Islamic nation, and continuing interest in its ancient monuments, Egypt makes for fascinating study. This volume provides an accessible, up-to-date overview of a society that greatly evolved, yet retains traces of attitudes and behaviors from the days of the Pharaohs.

This volume's insights into everyday life, sociopolitical structures, and cultural institutions transcend ordinary guide books. Asante, a noted Africanist, authoritatively presents the richness of Egypt from the Nile to the Nubian influence, to Cairo congestion and carpet schools. Chapters describe the land, people, history, education, tourism, religion, art and architecture, food, social customs and lifestyles, literature, media, cinema, and performing arts. A chronology, glossary, and numerous photos enhance the text.
