Danish Dynamite: The Story of Football's Greatest Cult Team Rob Smyth, Lars Eriksen, Mike Gibbons
The Denmark side of the 1980s was one of the last truly iconic international football teams. Although they did not win a trophy, they claimed something much more important and enduring: glory, and in industrial quantities. They were a bewitching fusion of futuristic attacking football, effortless Scandinavian cool and laid-back living. They played like angels and lived like you and I, and they were everyone's second team in the mid-1980s. The story of Danish Dynamite, as the team became known, is the story of a team of rock stars in a polyester Hummel kit.

Heralding from a country with no real football history to speak of and a population of five million, this humble and likeable team was unique. Everyman off the field and superheroes on it, they were totally of their time, and their approach to the game was in complete contrast to the gaudy excess and charmless arrogance of today's football stars. That they ultimately imploded in spectacular style, with a shocking 5-1 defeat to Spain in the 1986 World Cup in a game that almost everyone expected them to win, only adds to their legend.

For the first time in English, *Danish Dynamite* tells the story of perhaps the coolest team in football history, a team that had it all and blew it in spectacular style after a live-fast-die-young World Cup campaign. Featuring interviews with the players themselves, including Michael Laudrup, Preben Elkjær and Jesper Olsen, as well as with those who played or managed against them, this is a joyous celebration of one of the most life-affirming teams the world has ever seen.
