## **Matar al virrey (Spanish Edition)** Miguel Betanzos

A fines del siglo XVIII el joven Augusto Velazco, protagonista de esta novela, se une a un grupo de conspiradores que confabulan contra las autoridades coloniales. Por las sospechas sobre sus actividades, Augusto sufrirá un prolongado exilio en la Colonia del Sacramento; allí empieza a pensar que la única salida posible es atentar contra la vida del virrey Arredondo.

Un relato intenso y apasionado que describe el ambiente social y cultural de las ciudades virreinales y la época previa a la independencia americana.
