## Pulse Patrick Carman

Fans of action-packed sci-fi thrillers such as *I Am Number Four* and *The Maze Runner* will love bestselling author Patrick Carman's *Pulse*, with its epic action scenes and memorable love story.

In the year 2051, Faith Daniels discovers that she can move objects with her mind. This telekinetic ability is called a "pulse," and her mysterious classmate, Dylan Gilmore, has the talent, too.

In riveting action scenes, Faith demonstrates her ability to use her pulse against a group of telekinesis masters who are so powerful they can flatten their enemies by uprooting streetlights and throwing boulders. But even with her unusual talent, the mind—and the heart—can be difficult to control. If Faith wants to join forces with Dylan and save the world, she'll have to harness the power of both.
