When Have You Felt The Kiss of God's Favor?

Darlene Zschech describes *The Kiss of Heaven* as the sense of heaven touching earth, as if God himself kisses her on the head. Her first experience of this was when she held her long-awaited firstborn daughter. She felt His kiss as He has used her song "Shout to the Lord" to inspire worship around the world.

In *The Kiss of Heaven*, you'll discover how you can experience God's favor as you seek His blessing to pursue the dream He has planted in your heart. Darlene says, "God is watching for someone to kiss with His favor at this very moment. He watches--hoping to see our hands lifted up to love Him, serve Him, and receive His help so He can demonstrate His loving power through us to a love-starved planet."
