The Seven Mountain Mantle: Receiving the Joseph Anointing to Reform Nations Johnny Enlow

In this follow-up to his first release, The Seven Mountain Prophecy, Enlow explains how God revealed His plan to raise up “Josephs”--sons and daughters who would bear His favor, dream His dreams, and reclaim the seven mountains, or sectors, of society for His glory. Instead of the global meltdown seen in today’s society, the Lord promises to send His grace on our nation, other nations, and the church. Enlow proceeds to explain to readers what they will have to do to become one of these “Josephs” and how they can discern the role God desires them to play in His vision for the days to come.
