The Warrior: A Mother's Story of a Son at War Frances Richey

A "heart-rending" (Anna Quindlen, *Newsweek*) memoir-in-verse that speaks to a mother's love for her son

When Frances Richey's only child, Ben, a graduate of the United States Military Academy at West Point and a Green Beret, went on the first of his two deployments to Iraq, she began to write the twenty-eight unflinching poems that make up *The Warrior*. This urgent and intensely personal collection describes the world of those who wait while their loved ones are in combat or perilous situations; it is universal in its expression of the longing, anguish, love, and hope that constitute close relationships.
