Camping for Boys H. W. Gibson

Originally published in 1911, this early work is a fascinating look at camp life. The various chapters have been worked out from a practical viewpoint, the desire being to make a handbook of suggestions for those in charge of camps for boys and for boys who go camping, rather than a theoretical treatise upon the general subject. Many of the earliest books, particularly those dating back to 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
