Carved out of Ohio's wilderness in 1852, the village of Grove City welcomed industrious laborers, farmers, and German immigrants. The arrival of the railroad and the interurban brought commuters willing to travel from Grove City into Columbus. The 1960s saw the construction of Interstates 71 and 270, which spurred the community's growth. Though its population has surpassed 37,000 residents, Grove City has retained its small-town appeal while offering residents and visitors a revitalized town center, a major arts festival, and the "world's largest" alumni softball tournament.
