I'm not who they say I am.

Trust me.

But can she?

Reclusive novelist Aaron Westhaven, a man she's admired—and more—for years, has accepted Olivia Dupree's invitation to speak at a local fundraiser. But the day he's due to arrive, she gets a call summoning her to the bedside of a John Doe whose sole possession is her business card.

Can this undeniably compelling man—survivor of an execution-style gunshot wound—really be the novelist the lonely Olivia has grown to think of as a near soul mate? If not, he can be in Shadow Falls for only one reason: to kill her.

Olivia, too, has secrets. And discovering the truth about the man in the hospital bed means dredging up her own past—a past she's been hiding from for sixteen years.
