Charlaine Harris

Muerto en familia (Spanish Edition) Charlaine Harris

Una guerra de hadas ha dejado a la comunidad sobrenatural de Bon Temps, Louisiana, sumida en el caos, y a la camarera Sookie Stackhouse, agotada mental y físicamente. Y la paz y la calma que espera tan desesperadamente, parecen todavía difíciles de conseguir# Incluso con la sangre de dos vampiros corriendo por sus venas, Sookie está teniendo problemas para curarse de la terrible tortura que tuvo que soportar de manos de los enemigos de su bisabuelo. Aunque peores son las heridas emocionales, en particular la pérdida de su hada madrina personal y la cercanía de la muerte de su primer amor. Sookie está herida y furiosa. Su único aliciente en la vida #además del hecho de estar viva, después de todo# es el amor que cree sentir por Eric el vampiro, que está bajo la constante vigilancia del nuevo rey vampiro, precisamente por su relación. Además, las implicaciones políticas por la salida a la luz de los cambiantes se están empezando a sentir, y la conexión de Sookie con un cambiante en particular la conduce ante un debate peligroso. Y creyendo que las puertas del mundo de las hadas se habían cerrado, todavía quedan algunas viviendo en este lado# y una de ellas está muy enfadada con Sookie. Muy, muy enfadada.
