**“I guess there isn’t really anywhere else to undress, huh?”**

Shannon and Willie are **out of the house** and going on a camping trip with some friends. But you know what happens when you **stick a bunch of friends together** for a weekend! Now, after a car trip where **Shannon explores things just a little too much**, she and Willie are preparing to **share a tent together**. Although what they get up to turns out to be something much more **taboo** than just sleeping ... not to mention **hard** and **unprotected!**

The sample I have is too explicit to put here, but you can read it if you **click on the book to look inside!**

**5,100 words, 18+ only**
