*Quilting* by Sarah Fielke is a showcase of ten quilting techniques and styles. Mastering the variety of quilting techniques can be a challenge, and this vibrant and beautifully photographed book, brimming with Sarah's insider tips, provides the quilter with an accessible way to try out new methods, textures and colours, and in the process build upon their skills. Sarah has designed ten pairs of quilts that each provide a lesson in quilt-making. By first constructing a small dolly quilt, the quilter gains confidence in the techniques that enable them to make its larger companion quilt. These beautiful quilts, big and small, provide the opportunity to practise traditional quilting techniques such as creating wedges and flying geese blocks, and experiment with new, less conventional methods such as deconstructed piecing. Sarah also shares her needle-turn applique and hand-quilting techniques, which give her quilts their contemporary and unique style. Discover how, from little things, big and exciting things can grow.
