Second Sight

Meg Henderson

Second Sight Meg Henderson

The moving story of a woman sending her pilot son away to fight in the Second World War - from one of Scotland's bestselling, best-loved storytellers Nancy MacLeod's great-great-grandfather brought his family to Cape Breton, Nova Scotia from Raasay, a tiny Scottish island, in the 1840s, in hope of a better life. They prospered in this new world, despite the harsh and unforgiving winters, but clung on to their old traditions and customs for comfort. Born at the beginning of a new century, Nancy has no patience with the old ways. She declares herself a Canadian and ignores the signs that she has inherited the family's Second Sight. But when her brothers leave home to serve in the First World War, she experiences strange things that she neither understands nor wants to, so when she marries she moves far away from superstitious Cape Breton. Then the Second World War breaks and her eldest son, Calli, goes to England to pursue his dream of being a bomber Command pilot. Calli's plane is shot down and his body never found. Nancy is unable to accept his death. She can still sense a feeling of life attached to him, a branch of the family tree that grows unstoppably while all hope seems lost. And Annie, a girl growing up in Glasgow, has always seen a man in the corner, a young pilot she doesn't know but somehow feels a strange connection with...

From reader reviews:

Tina West:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only situation that share in the publications. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this Second Sight.

Kermit Moors:

Spent a free time for you to be fun activity to perform! A lot of people spent their sparetime with their family, or their very own friends. Usually they carrying out activity like watching television, about to beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book is usually option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to consider look for book, may be the e-book untitled Second Sight can be fine book to read. May be it may be best activity to you.

Oliver Whitley:

This Second Sight is great publication for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great organize word or we can claim no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having Second Sight in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen minute right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

Rebbeca Farley:

Reading a book make you to get more knowledge from this. You can take knowledge and information from a book. Book is published or printed or illustrated from each source that filled update of news. In this particular modern era like today, many ways to get information are available for you. From media social like newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just trying to find the Second Sight when you required it?
