The Trouble with Paris Participant's Guide Mark Sayers

This DVD-based series helps people examine three different levels of reality: hyperreality-that which the media tells us we should seek; reality-the world we really live in; and God's reality-what we should ultimately be seeking. *The Trouble with Paris* emerged out of a series of talks that Mark Sayers had developed, originally titled "How Paris Hilton Made Me a Better Christian." This series of talks was responsible for hundreds of young adults rediscovering faith in profound ways.

The product features four 20-minute video episodes full of unique animation, fast-paced teaching, and relevant subject matter. This participant's guide will serve as a companion to the DVD (sold separately).
