**What happens when the moon goes missing? Find out in this poetic picture book from a Newbery Honoree and a two-time Caldecott Medalist.**

The moon is full and bright in the sky. So full, and so bright, that Bear can't sleep! So he steals the moon from the sky and hides it away. But the other animals miss the beautiful, glowing moon...and they set out to get it back in this tender story with luminous watercolor illustrations from a two-time Caldecott Medalist.
