When she spied Lucas Wingate in the exam room, Nikki Connors was only too happy to take charge of his irresistible seven-month-old daughter. But it was the sexy widower who seemed more in need of Nikki's special brand of healing magic...and made her wonder whether she was in need of some romantic therapy herself....

Lucas wasn't planning to fall in love again. But the beautiful, caring pediatrician was suddenly making the single father realize what he'd been missing. All Lucas wanted was for Nikki to take a chance on him...on their future together. And now, thanks to one well-meaning matchmaker, the single dad just might get his wish!
