## **Echoes of Us (Hybrid Chronicles Book 3)** Kat Zhang

In the final installment in the Hybrid Chronicles—bound to captivate fans of Ally Condie, Lauren Oliver, and Scott Westerfeld—Addie and Eva must come to terms with sharing a body as they fight for lasting change and hybrid freedom.

Addie and Eva barely survived the explosion at the Powatt institution, but they refuse to sit still as the nation ripples with rebellion. When an ambitious reporter offers Addie and Eva the chance to go undercover and film the wretched conditions of a hybrid institution, the girls jump at the chance to once again take part in the fight for hybrid freedom. As Eva and Addie walk into danger, they cling to each other and the hope of a better future. But the price they might pay is higher than they ever could have imagined.
