Personal writing can be risky for anyone, but for military veterans, especially those suffering from post-traumatic stress, sharing stories can trigger painful and disturbing flashbacks. Writing is also risky for the ego. It is one thing to write a military story, especially one based on authentic experiences; it is quite another to muster the courage to share that story with others for critique and feedback.

Award-winning journalist and author Tracy Crow presents a roadmap for writing an authentic, persuasive military story. Drawing from her personal experiences and those of other veteran writers, and from the insights of noteworthy writing and teaching professionals, *On Point* is the guide Crow wishes she'd had when she first began writing about her military experience. No previous writing guide specifically addresses the unique challenges and rewards facing soldiers who want to craft their military story with courage and candor.
